

The Kingsmen Shakespeare Festival

Apprentice Company 2012

4-6 Acting Apprentices

The Kingsmen Shakespeare Festival Apprentice Company is an excellent opportunity for young actors and technicians to train with and gain valuable experience from working with an established Equity Acting Company. The Kingsmen Shakespeare Festival was established in 1997 and has received high regional theatre acclaim from the Los Angeles area theatre critics. Performing on the beautiful grounds of Kingsmen Park on the campus of California Lutheran University, the Festival draws crowds from all over Southern California.
